# Triple Negative Breast Cancer Virtual Support Group

*Please note: This information is correct as of February 2023.*

*Times may change, so visit our website at [www.cscatlanta.org](http://www.cscatlanta.org) for the latest information.*

This virtual group is for anyone diagnosed with triple negative breast cancer, meaning the three most common types of receptors known to fuel most breast cancer growth - estrogen, progesterone, and the HER2 gene - are not present in the cancer tumor. Connect with a community of women with similar experiences for support and practical tips on managing life during and after treatment.

*Facilitated by:*  
**Kate Kray, LCSW**

**First & Third Thursdays of the Month, 1:00 - 2:00 p.m.**

To participate in this support group, please email
